Kris CLEIRBAUT

Kris Cleirbaut has established his successful pigeon colony through a deliberate and strategic combination of renowned Belgian bloodlines. His breeding program is founded on descendants and influences from some of Belgium's most respected fanciers, including Willy Daniels, Stefaan Lambrechts, Leo Heremans, Gaston Van de Wouwer, Rudy Van Reeth, and Danny Van Dijck. These exceptional bloodlines consistently demonstrate outstanding performance across both sprint and middle-distance races, as well as the demanding long-distance events.

Through this carefully constructed genetic foundation, Cleirbaut has achieved remarkable success at the highest national level. His pigeons have secured multiple national victories and prestigious KBDB titles. Notably, he

was crowned KBDB National Champion Long Distance in both 2023 and 2025, while also claiming top honours with KBDB National Ace Pigeons — further cementing his position among the elite of Belgian pigeon sport.
